SUBJECT : LAC Session on Revisiting School-Based Management (SBM)

DATE : January 12, 2021

---

The Department of Education (DepEd) has formulated enabling policies and mechanisms to ensure that the school and its community are equipped and empowered to make decisions on what is best for its learners in line with Republic Act (RA) 9155. In view of this, School-Based Management is established to develop the capability of schools to manage their own affairs. In order to attain its goals, the SBM should support activities directed towards enhancing the teaching and learning experience of the school, improving the school management and administrative processes and strengthening resiliency of disadvantaged schools.

In line with this, a scheduled LAC Session shall be conducted on January 14, 2021 at Audio-Visual Room in order to revisit the current School-Based Management status.

The health and safety protocol of the school shall be observed. Hence, the following schedule is considered:

10:00-12:00 NN	Groups 7, 8, 9 and 10
